“My Favourite Personal Photos”

I hope these photos don't come across like I'm bragging. It's just important for you to know that if a lazy, once no-hoper like me can become wealth, healthy and successful by using the power of [INSTANT MOMENTUM](#) then so can you.

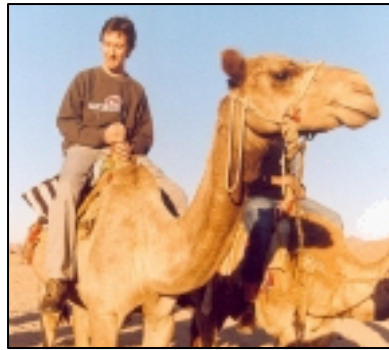

Driving a Ferrari on a sunny day – what a blast!

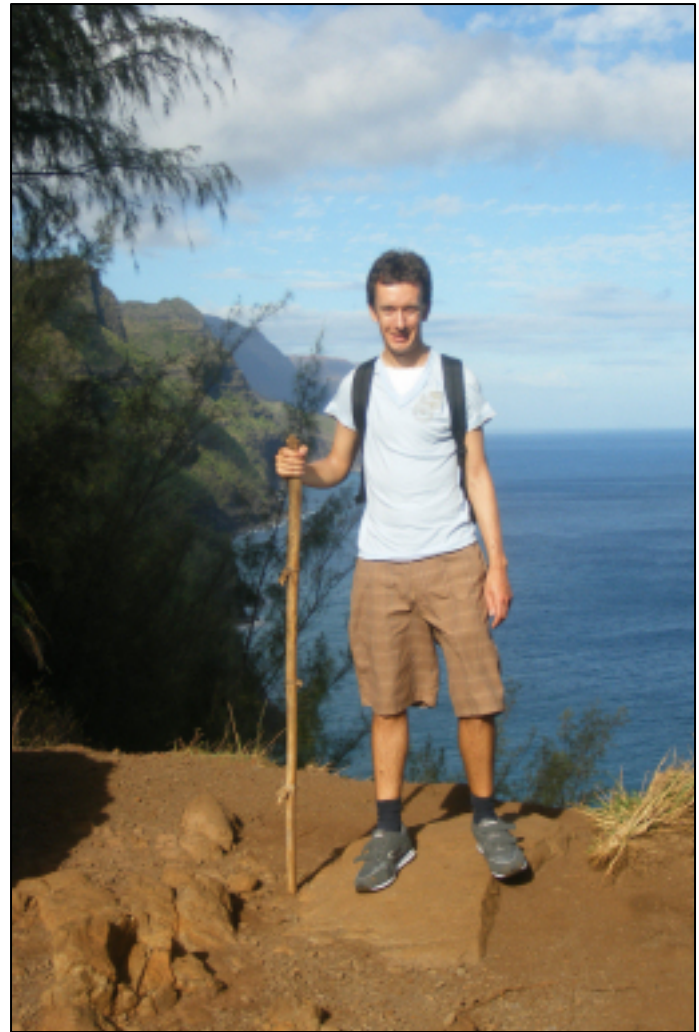

Various vacation snaps – from top left clockwise – catamaran trip, swimming with dolphins, camel riding in Egypt and meeting ‘Elvis’

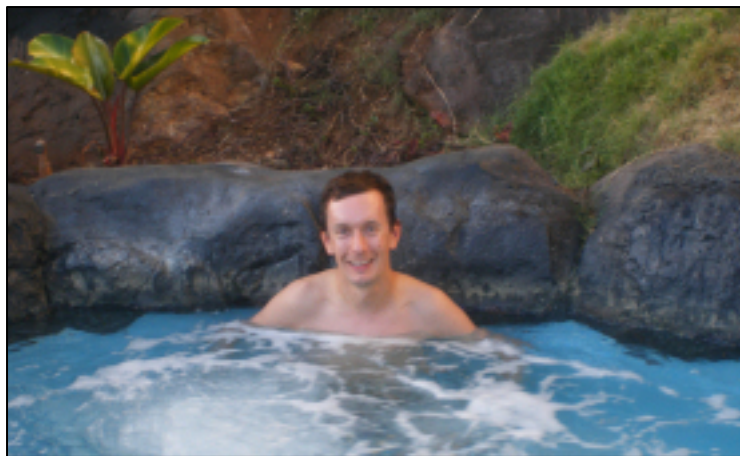

A picture of me hiking the Na'pali coast – one of the most famous and spectacular hiking trails in the world. This was an amazing experience trekking through the rainforest spotting wildlife, exotic bugs and then ending up at a remote, secluded beach complete with hidden cave. One of the best adventures ever!

This is me wearing a specially-made shirt that my friend Sterling Valentine got me as a gift. The significance of the number 63 is that it's the number of thousands of dollars I made in the first 24 hours of launching my first product – hence the champagne!

More vacation snaps – this time sipping a cocktail beneath the palm trees. It's a hard life!

Taking things easy on another vacation. I've had eight in the past 12 months.

Looking cool! Not! This is a photo just after I'd done my first ziplining descent into a jungle valley.

Is that smile one of fear or enjoyment? ☺

Posing for the camera in the Grand Canyon after a deluxe helicopter tour and landing. All I could say is "Wow!" about a thousand times!

Hi ho Silver! If the horse looks tired it's because we've just trekked through the actual terrain where they shot Jurassic Park though no, we didn't see any Raptors..

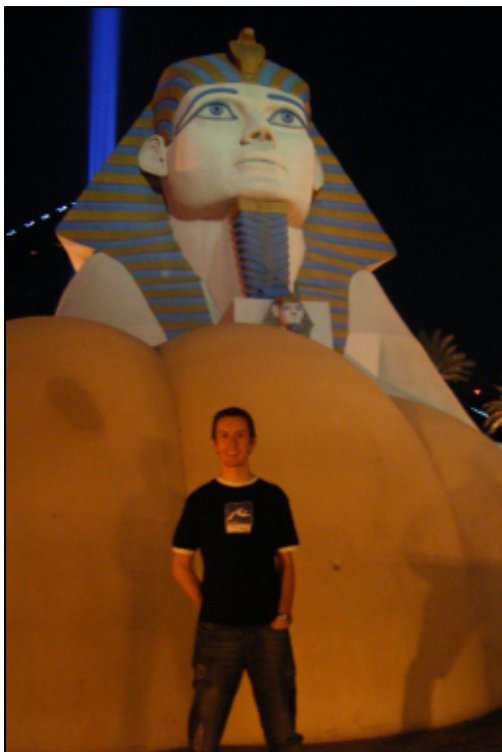

“All you gotta do is ride around Mikey, ride Mikey ride..” If you’re going to be touring round on vacation you may as well do it in style with a Mustang convertible right?

Surfs up dude! Catching my first-ever waves in Hawaii..

When the choice is cab or limo there's only ever going to one winner..

Vegas baby! You've gotta love it. I'm going to the real pyramids in the next 12 months (alongside African safari, Paris, Prague, Fiji and Germany)

All this travelling about on vacations can take its toll on you... 😊

*Cheers! Here's to the power of creating **INSTANT MOMENTUM!***

*Suited and ready for the sea turtles,
dolphins and Nemo!*

Feeling on top of the world!

Speaking in front of hundreds of people at a seminar I was invited to

Rubbing shoulders with a inspirational legend and billionaire – Ted Nicholas

A great day paintballing with my friends on Bachelor Party #1. (#2 was in Vegas)

“You Like The Photos? Can You See Yourself In The Picture?”

Look, I'll be honest with you here. The few selected photos you've just seen are NOT an accurate reflection of my life over the past 12 months – **they're just a TINY FRACTION of the amazing things I've seen, learned, experienced, bought and enjoyed.** It would take me hours of sitting down with you to talk to you about **what a profound difference being able to create INSTANT MOMENTUM has had on my life.**

It has, without a doubt, **improved EVERY area of my life.** But you know that by now – you see it in the photos and you can probably sense it in the energy I'm getting over to you as I type this!

But what about *you*?

Can you have the life that YOU truly deserve?

Well I not only **have hope and faith** that you can. **I have absolute, unerring conviction and certainty that you WILL** have the life you truly deserve if you step forward and take action.

The Secret Momentum Lab Coaching Program, that I've been explaining to you over the past week or so, is the culmination of years of my experiences, successes *and* failures. It has been **tried and tested** on my friends and family with unanimous success and **now it's time for you to enjoy the benefits and claim the wealth, health and prosperity that is waiting for you.**

“What Do You Need To Do Now?”

It's simple. This coming **Monday – 10th September – at 0800AM Eastern Standard Time** I will be opening the doors to **The Secret Momentum Lab** coaching program.

There are only a **SMALL NUMBER OF SLOTS AVAILABLE** because **I will be personally delivering this coaching live over the telephone in one small group.** The chances are that **I will NEVER offer coaching again.**

Why? Because I am turning the coaching Program into a physical product to get it into the hands of more people and help as many people as possible change their lives for the better.

By becoming part of The Secret Momentum Lab right now you are actually going to be part of history – you will be one of the select few who go to SHAPE and CREATE a product that will change the lives of thousands of people.

This is NOT some airy-fairy, positive-thinking, wishy-washy Program.

You know me better than that.

This is a **PRACTICAL PROGRAM** where **you will be given DAILY, PRACTICAL, STEP-BY-STEP ACTIONS that help you achieve the goals you set for your life.**

You can join the Program and try the entire Program out **without risk** – if you're not happy just let me know before the 28 Days are up and **you will get all your money back from me AND you get to keep everything:**

- You get to keep all the Momentum Session recordings
- You get to keep all the Momentum Masterplan daily Blueprints
- You get to keep all the Momentum Builder
- You get to keep the *entire* Momentum Cycle Arsenal
- You get to keep all the powerful Tools for Creating Instant Momentum
- You get to keep all the Momentum Session transcripts

You can keep it all and pay me nothing.

That's how confident I am in the Program and in you.

Take this step to join me and I GUARANTEE your success.

You quite simple cannot fail – you are being given **THE INFORMATION, THE INSTRUCTION** personally from me live on the phone **AND THE INFRASTRUCTURE** of support with myself and my staff available throughout to answer all your questions.

You know that time is right for you – please don't pass up on this.

Whether or not you decide to come into The Secret Momentum Lab Program means very little to me financially. But for you this will **dramatically improve your life** in whichever area you decide to focus on during the Program.

So what you need to do right now is to go through all the materials I've already given you on Momentum so you are ready to hit the ground running on **Monday 10th September at 0800AM EST.**

You can find out EVERYTHING you need to about **The Secret Momentum Lab Program** here (including FREE Audios, PDF Reports and a \$50 Discount Voucher)
